

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-06101106 Epoxy System for Existing Steel Bridge Deck

Description: The Missouri Department of Transportation, District 6 has determined that only CASTEK/ Materials Division, of Transpo Industries, Inc. of Berwick , PA., can provide the Department with specific use, replacement repair material T-48, as the original manufacturer of the epoxy system for repair of the only steel deck bridge in the State of Missouri, the I-55 Mississippi River Bridge. This specific product has been documented as the material that has been applied to the entire deck surface and is the only material that has been approved by MoDOT's Bridge Division for application to this specific bridge. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. The maximum estimated yearly value of the product is estimated at a cost of \$ 20,000 .00, but is only purchased on an as needed if needed basis.

Issues with this purchase may be directed to Terri Mount, Procurement Inter. Specialist at 314-301-1431 or Teresa.Mount@modot.mo.gov, until November 9, 2009.
